We're Going to Be Friends (Jack Johnson)

Theme: Friendship

Fall is here, hear the yell
Back to school, ring the bell
Brand new shoes, walking blues
Climb the fence, books and pens
I can tell that we are going to be friends
Yes I can tell that we are going to be friends
Walk with me Suzy Lee
Through the park and by the tree
We can rest upon the ground
And look at all the bugs we've found
Safely walk to school without a sound
We safely walk to school without a sound
Well here we are no one else
We walk to school all by ourselves
There's dirt on our uniforms
From chasing all the ants and worms
We clean up and now it's time to learn
We clean up and now it's time to learn
Numbers letters learn to spell
Nouns and books and show and tell
Play time we will throw the ball
Then back to class through the hall
The teacher marks our height against the wall
The teacher marks our height against the wall
And we don't notice any time pass
Because we don't notice anything
And we sit side by side in every class
The teacher thinks that I sound funny
But she likes it when you sing
Tonight I'll dream in my bed
While silly thoughts run through my head
Of the bugs and alphabet
And when I wake tomorrow I'll bet
That you and I will walk together again
Because I can tell that we are going to be friends
I can tell that we are going to be friends

Fingerprints of God (Steven Curtis Chapman)

Theme: Life's Purpose

I can see the tears filling your eyes
And I know where they're coming from
They're coming from a heart that's broken in two
By what you don't see
The person in the mirror
Doesn't look like a magazine
Oh but when I look at you
It's clear to me

That I can see the fingerprints of God
When I look at you
I can see the fingerprints of God
And I know it's true
You're a masterpiece that all creation
Quietly applauds
And you're covered with
The fingerprints of God

Never has there been and never again
Will there be another you
Fashioned by God's hand and perfectly planned
To be just who you are
And what He's been creating
Since the first beat of your heart
Is a living, breathing
Priceless work of art

And I can see the fingerprints of God
When I look at you
I can see the fingerprints of God
And I know it's true
You're a masterpiece that all creation
Quietly applauds
And you're covered with
The fingerprints of God

Just look at you
You're a wonder in the making
And God's not through
In fact, He's just getting started!

Run Fly Fall (Paul Jisung Kim)

Theme: Courage

[chorus]:

i run, i fly i fall, and my heart hits the wall
i know, faith – love – and hope, will never die...

{verse 1}

empty shells, [] sells, at the toll of the bells
lost dreams, i've seen the woman at the well
she's convinced no prince will ever pass her by
another night, another stranger,
and tears fill her eyes
i've seen the obscene when love no longer means
what it meant to the innocent heart now past tense
past healing, life's dealing unexplainable blows
to the young who are numb from tragedy and woe
so many people driving down the street
but don't know where life is going
cos the gps ain't showin' that there's more
the question could it be
that life is more than me
but he/she/we, can we call it family
let love... heal this home

[chorus]

{verse 2}

love past blacktops, buildings and sidewalks
past prejudice, rivalries, and racist talk
past memories, we are healed when we forgive
holding onto hatred is a painful way to live
i need a definition, not another "love" song
so many singers have no clue
to what's really going wrong
you can't give, what you don't have
stop calling lust, love... you really make me mad
and yet sad for you, because if what you sing is true
than it's like dumpster diving and calling it real food
watch the news for the clues
cos hearts turn black and blue
from the trauma of the drama
but i'm bored, what's new?
i don't have time to cry, or give a compassionate sigh
cos i'm programmed to live at the speed of the wi-fi
slow down... slow down...
and let your feet touch the ground

[chorus]

i see a people... hungry for truth, truth and love
i hear the sound... of hearts beating anew
of hearts beating for you

Forgiveness (Beckah Shae)

Theme: Forgiveness

Betrayed and let down, they gossip and slander
They sabotage You as they mock You, it's just a mess!
But I refuse to amuse the lies
And whether or not they apologize
I'm movin on, I'm gonna let go
Cause I gotta fly

(Chorus)

Laying down all that's in the past, no bitterness
Putting aside all my pain and my pride, to be blessed
I've learned what we hold against someone else
Will only wind up hurting ourselves
We need love motivation

Forgiveness!
There's healing in your wings
Your peace it let's me breathe
Forgiveness!
You're the reason why I live
I'm worth only what I give
Forgiveness

The damage is done, the scars still remain
But I gained wisdom and strength
So I declare the victory is won!
I refuse to amuse the pain
Won't let it take my freedom away
I'm movin on, I'm gonna let go,
Cause tomorrow's a better day!

Chorus

I am so imperfect, I am only human
And I'm whole heartedly asking You to forgive me, oh
Forgive me, forgive me, forgive me

You gotta take in the air and just breathe in
Believe in
In order to let a broken heart start beat, beat beatin' again
A gain of restored grace

From a flash in a past space
What's left is a bad taste
Repairing from despair
Which left you unaware
That others desperation of hatin'
Which had you statin' what was done in the past,
History, so ill,
The sting from the blow, fast hit, it's so real
Faced with the options presented
Forgive or resent it
To live or regret it
Grip or forget it
You gotta love or hate it
See, the truth's been stated
Let it go, cuz the past has been dated
Now pardon me of my faults in the fall of me
Dignity placed in all we see
Drawn from a source of what we can't force
A loving trace of a crimson course
Of course, no remorse in...

If I Touch Him (Danielle Rose)

Theme: Healing

I was hiding in the crowd, hoping no one saw my face.
I wanted to be close to him; I knew that he alone could save.
So I went right up behind him, unworthy of his gaze,
Untouchable me seeking merciful grace.
I have spent my whole life desperate, searching for a cure.
For twelve years I've been cast out, ashamed, and oh so poor.

*If I touch him He will heal my heart that bleeds.
If I touch him He will give me all I need.
If I stretch my hand to touch His garment's hem,
I believe that I will be made whole again.*

"Who has touched me?" Jesus said, then He looked around to see.
"For I know that power has gone to the one who has believed."
While everyone denied that they had taken grace from Him,
I knew I must confess that He had changed me from within.
In the presence of the people, I came forward to be known.
Trembling, I fell on my knees before the living throne.

*When I touched you, Lord, you healed my heart that bled.
When I touched you, Lord, you gave me peace instead.
When I stretched my hand to touch your garment's hem,
Then your love, oh Lord, it made me whole again.*

When I told him the whole truth, then he spoke these words to me:
"Daughter, your faith has saved you. Now go and live in peace."
Then the child within my soul that I had thought died long ago
Was raised again to life and I felt joy within my bones.
Then I ran to tell the blind, the lame, the brokenhearted and ashamed,
The rich, the poor, the young, the old, the truth that must be told.

*If you touch him, He will heal your heart that bleeds
If you touch him, He will give you all you need
If you stretch your hands to touch the Bread of Heaven,
Do you believe that He will make you whole again?*

Beautiful Ending (BarlowGirl)

Theme: Victory

Oh tragedy has taken so many
Love lost cause it all forgot who you were
And it scares me to think that I would choose
My life over you
Oh my selfish heart
Divides me from you
It tears us apart

So tell me what is our ending
Will it be beautiful
So beautiful

Oh why do I let myself let go
Of hands that painted the stars and holds tears that fall
And the brighter my heart makes me forget
It's not me but you
Who makes the heart beat
I'm lost without you
You're dying for me

So tell me what is our ending
Will it be beautiful
So beautiful
Will my life find me by your side
Your love is beautiful
So beautiful

At the end of it all I wanna be in your arms [x4]

So tell me what is our ending
Will it be beautiful
So beautiful
Will my life find me by your side
Cause your love is beautiful
So beautiful

Shake Heaven (Montell Jordan feat. Becca Shae)

Novel Theme Song

What's it gone look like, what's it gone be like
What's it gone sound like, I won't know
We're on a mission to get God's attention,
Heaven is listening, so here we go

The angels all around are crying holy, holy, holy
Praise him with a sound that gives him glory, glory, glory
Are you ready now, get ready now I'm ready (4x)
Let's go shout it out, start shouting out

I'm gonna shake heaven, gonna shake heaven
Joining together, joining together
This is how we do it; this is how we do it
We're taking back the music, taking back the music

I'm gonna shake heaven, gonna shake heaven
Joining together, joining together
This is how we do it; this is how we do it
We're taking back the music

And all the angels say
Ooh oh, oh, oh, oh, hey, hey, hey, hey
Ooh oh, oh, oh, oh, hey, hey, hey, hey

Everybody stand up, gone put your hands up
Recognize the God of power and might
His love's so amazing, he loves me like crazy
Now I'm bout to be in his marvelous life

The angels all around, are crying holy, holy, holy
Raising with a sound that gives him glory, glory, glory
Are you ready now, get ready now I'm ready (4x)
Let's go shout it out, start shouting out

Joining together, joining together
This is how we do it; this is how we do it
We're taking back the music, taking back the music

I'm gonna shake heaven, gonna shake heaven
Joining together, joining together

This is how we do it; this is how we do it
We're taking back the music

And all the angels say
Oooh oh, oh, oh, oh, hey, hey, hey, hey (C'mon now)
Oooh oh, oh, oh, oh, hey, hey, hey, hey

Find the name of all that makes Jesus
We can live today because his grace freed us
(Glory honor and power for ever and forever Lord) 4x

Gonna shake heaven, gonna shake heaven
Joining together, joining together
This is how we do it; this is how we do it
We're taking back the music, taking back the music

Gonna shake heaven, gonna shake heaven
Joining together, joining together
This is how we do it; this is how we do it
We're taking back the music

And all the angels say
Oooh oh, oh, oh, oh, hey, hey, hey, hey
Oooh oh, oh, oh, oh, hey, hey, hey, hey

EXPLANATION OF THE THEME SONG

Reepicheep had set out on the voyage of the Dawn Treader hoping that he would find Aslan's kingdom at the end of the Eastern Ocean. He tells Edmund and Lucy that the great Lion always comes to them from the East, across the sea. There was a wood woman, a Dryad, that spoke the following verse over Reepicheep when he was a baby mouse:

"Where the sky and water meet,

Where the waves grow sweet,

Doubt not, Reepicheep,

To find all you seek, There is the utter East."

This destination is Heaven since Aslan represents Jesus in the Chronicles of Narnia. We chose "Shake Heaven" as the theme song for *The Voyage of the Dawn Treader* because it is about the glory of God and the great celebration that comes with reaching our eternal home. Just as Reepicheep spent his whole life living for this journey to Aslan's kingdom, we spend our lives here on earth journeying towards Heaven.
