*Students should complete the assigned Math practice pages each night. Because it is third trimester, *all the workbook pages will be collected on Friday*, and entered into Gradelink at the end of the week. Students should put their names on the pages, rip them out of the workbook, staple *all* pages together, and place them in the "Return to School" pocket of their homework folder *on Friday*.

**Weekly Fluency Words: give, once, open, has, thank, live

This week, students will complete a choice board to practice their fluency words for homework. Students should complete one activity a different sheet of lined paper each night. The student's name, date, AND name of the activity should be at the top of the lined paper. Students should color in the box to indicate which activities they completed throughout the week. At the end of the week, students should staple all four activities together (four pieces of lined paper total), and staple colored in choice board to the top with the student's name on the choice board.
