Animal Habitat Project

Due date May 15, 2020

Choose one animal that you are most interested in and want to learn more about.

You will need to find out the facts and present it through your project.

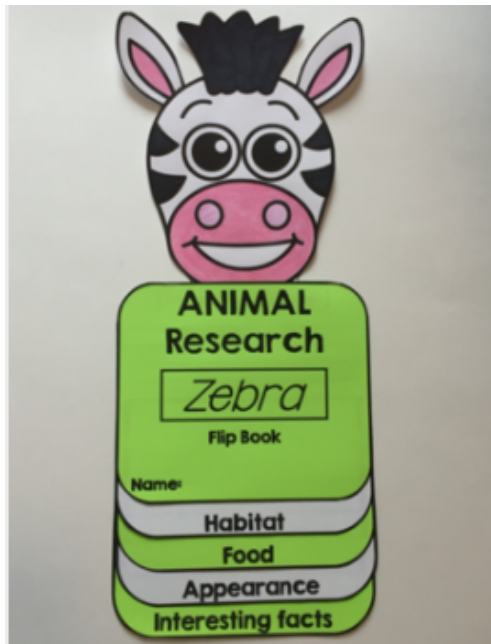

1. **Food:** Write & draw about the animal's food and diet.
2. **Habitat:** Describe & draw the animal's habitat.
3. **Appearance:** Describe the animal by writing about its size, color, body and eyes.
4. **3 Interesting facts:** Write about the animal's sounds, predators, preys, family and habits.

You can choose from the following ways on how you will do your projects or you can make your own way of presenting your project.

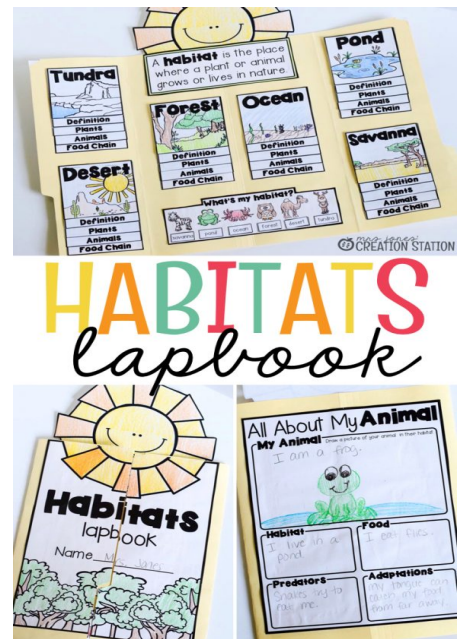

a. Pyramid Diorama

b. Flipbook

c. Lap book

d. Art Craft Flipbook
