

## Iglesias Family Profile

*Meet the Iglesias Family! They were referred to Adopt-A-Family by Homeboy Industries. The father says, "Sometimes we are facing hard times when I can't keep up with the rent and I have to do things so I can come up with the rent, sometimes I feel like just giving up on myself but then I look at my kids they are the reason why I haven't given up. I got custody of my nephew; both of his parents are in jail. He's always asking when they are coming home. The hardest days are the holidays for him because he wishes his parents were around to show him how to be a man." If each person in each grade purchases just one item for the family, they will have a magical Christmas! **Family Number: HB-246***
