

# 8th Grade Graduation Diploma

Dear Parent of Potential Graduate,

Please **print legibly** the way you would like your child's name to appear on their diploma. This is an official document and the legal name should be used so that no question will evolve when presenting this document at a later date. Some use the full middle name and some the initial.

Please take care in returning this to the school by Friday, November 8, 2024.

Thank you for your prompt and careful attention. The diplomas are printed and sealed somewhere else through the diocese and accuracy is critical as well as ordering early.

Mrs. Angela Grey  
Principal
